

The Holy Spirit Helps Us Love God

GOD RESCUED HIS PEOPLE

Many, many years ago, the Israelites lived in Egypt. They were treated very cruelly by the king. They cried out to God to save them.

God did save them! He sent a man called Moses to bring them out of Egypt. He worked many miracles and finally they were able to escape. Then, when Egypt's army chased them, God made a path through the Red Sea and they were free at last.

As they walked through the desert, God gave them food to eat when they were hungry: Manna and quails came down from the sky. And when they were thirsty, he gave them water from a rock!

At last, God called Moses up a mountain and said to him, "Tell my people to remember all I have done for them. Now there is something for them to do. They must love and obey me. If they do, I will be their God, and they will be my people!"

Then he wrote ten commandments on two stone tablets and gave them to Moses.

When the people heard what God had asked, they said,

"YES! WE WILL DO WHAT GOD HAS ASKED US TO DO. WE WILL OBEY HIS COMMANDMENTS."
