

JESUS WAITS FOR HIS FRIENDS

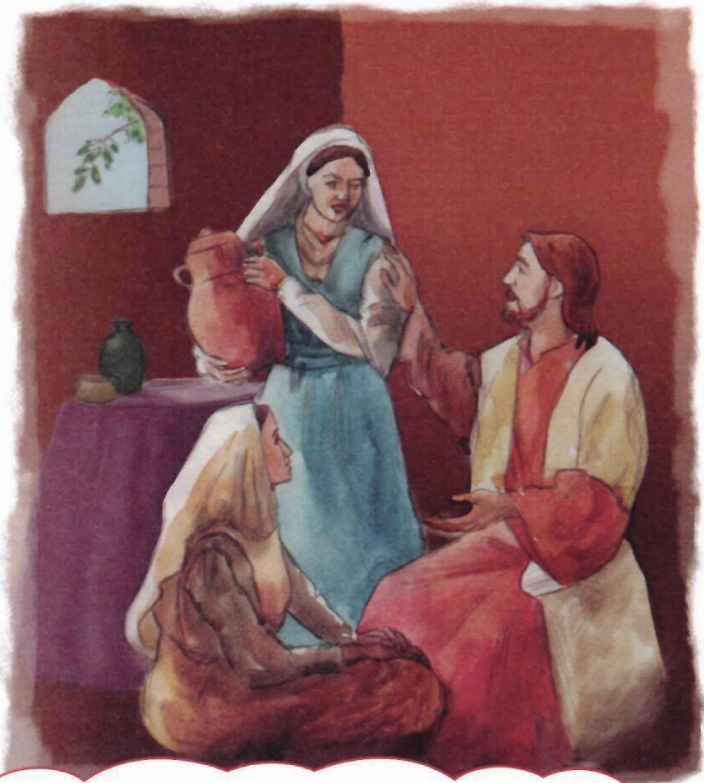

Once Jesus came to visit his friends, Martha and her younger sister Mary. Martha welcomed Jesus into her house, but then she left him alone. She got very busy trying to make the best meal possible.

But Mary came and sat at Jesus' feet and listened to him. Martha got angry with her sister, and with Jesus too!

She said to him, "Don't you care about me? Send Mary to help!"

But Jesus said to her, "Martha, Martha! I do care about you. I want you to be peaceful and happy, not worried and distracted. Only one thing is needed: Mary has chosen it."

Jesus wanted Martha also to come and sit with him and talk with him.

Jesus wants us to be his friends too. He waits for us to come and sit quietly with him. If we do, he is happy, because then he can teach us and bless us.
