

AT THE WEDDING FEAST

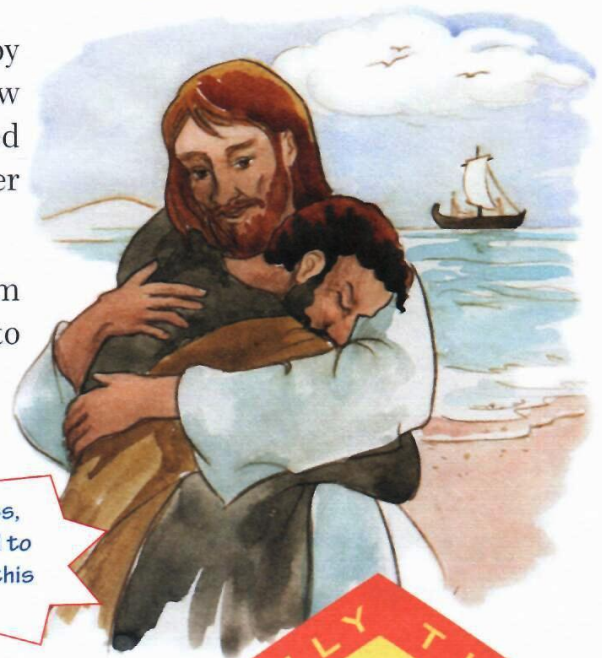

The king noticed a man who had come without changing his clothes. He asked him, "Friend, how did you get in here without a wedding robe?"

The man had no excuse to give.

Then the king ordered the guards to throw him out of the palace.

Peter had made Jesus very sad by denying him. He was now ashamed of himself and cried bitterly because he had hurt his master and friend.

Then Jesus met Peter and showed him that he was forgiven. He asked him to be the shepherd of his people.

When we come to the great feast of the Mass, we have to change our hearts. If we have failed to love God or others, we need to ask pardon. In this way we can get ready for the Mass.
