

**THE MORNING AFTER**

Maureen McGovern

*There's got to be a morning after  
If we can hold on through the night  
We have a chance to find the sunshine  
Let's keep on looking for the light*

*Oh, can't you see the morning after?  
It's waiting right outside the storm  
Why don't we cross the bridge together  
And find a place that's safe and warm?*

*It's not too late, we should be giving  
Only with love can we climb  
It's not too late, not while we're living  
Let's put our hands out in time*

*There's got to be a morning after  
We're moving closer to the shore  
I know we'll be there by tomorrow  
And we'll escape the darkness  
We won't be searching anymore*

*There's got to be a morning after...*
