

*God said, "See! All these plants
are for food.
I have given them
to you and to all the animals
and birds and fish!"*

Thank-you
God for this
food.
Bless us as we
eat it, and
bless the food
also. Amen.

God knows that we
need food. That's
why he feeds us
every day.

We must remember
to thank him every
time we eat.

DRAW SOME FOOD ON THE TABLE

We can help God to feed
hungry people by sharing
our food with them.

Bring
some
food
to
share.
