

When the world ends, everyone will stand before King Jesus. He will say to those who shared with the poor and cared for them:

Welcome, my dear friends!
When you shared with the poor, you shared with me!
You have made me happy.
Come home to heaven!

God made the world for everyone. He wants all his children to have food, water, clothes and a home to live in.

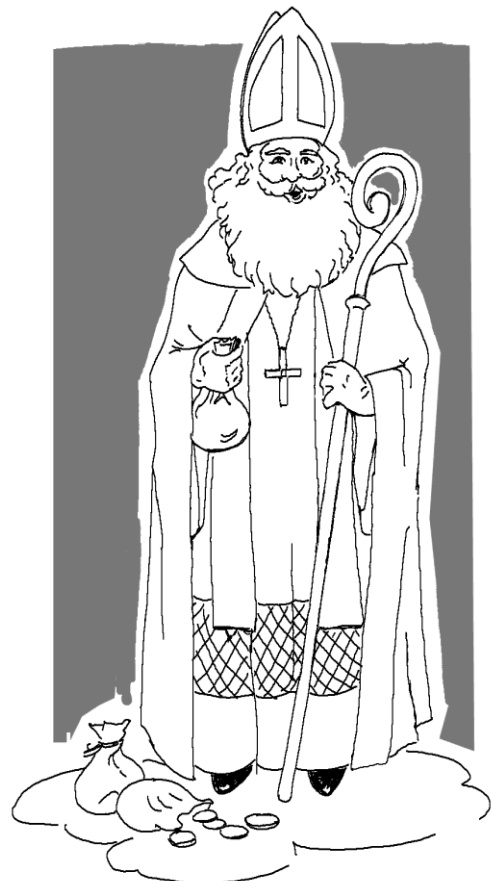

Even though we have things that belong to us, we must remember that God wants us to use them for others too, and not just for ourselves.

SAINT NICHOLAS
shared what he had
with poor people.

He did it quietly,
without showing off.

He specially loved
children and helped
them.

He is now in heaven.
We celebrate his feast
on December the 6th.

Make a parcel
and secretly
give it to a
poor family.
