

God made angels good, but one angel went against God and became bad. He is the devil or Satan. He is a liar. He hates God and wants to hurt us.

He tempted Adam and Eve. They listened to him and disobeyed God.

The devil also tempts us to disobey God. We must not listen to him, but we must listen to God because he loves us and wants to make us happy.

## PRAYER TO SAINT MICHAEL

Saint Michael the Archangel, Protect us from the devil, Help us not to listen to his lies. Teach us to trust God and obey him.

Amen.

Tell your family the story of Eve and the devil. Say the prayer together.
