

Jude saved his little brother from drowning. Everyone thanked him and praised him. They had a 'hero party' to celebrate.

Jesus saved us by dying on the cross. He defeated the devil. After 3 days he became alive again. Now we can live with him forever!

The devil still tries to stop us from being saved, so Jesus taught us to pray:

Lead us not into temptation,  
But deliver us from evil.

That means,  
'Don't let us fall  
for the devil's  
tricks, but save  
us from him.'

We have a 'hero party' for  
Jesus on \_\_\_\_\_

and on every  
\_\_\_\_\_.

At Mass we thank God  
for saving us.

Ask your family the Easter egg question. Give your friend an Easter egg and tell him/her the meaning of Easter.
