God talks to us through the Bible.

At Mass He speaks to us through the readings and homily. We must listen carefully to his words.

We must also be his messengers and give his message to others.

Jesus met Mary Magdalene outside his grave on Easter morning. He gave her a very important message for his disciples.

Mary was very happy to know that Jesus was alive and that he had made her his messenger.

Look in the Bible and write down the names of 10 prophets

Be God's messenger and share the story of Samuel with your family or a friend.
