

God said to Jonah:

But Jonah got into a ship going the other way. A huge storm arose.

The sailors drew lots and found out that Jonah was the cause of the storm.

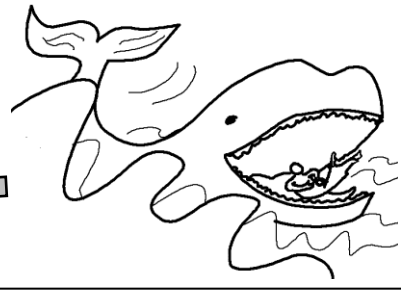

Then Jonah went through Nineveh and said:

Jonah prayed and the fish spat him out onto dry land.

They threw Jonah into the sea and a huge fish swallowed him.

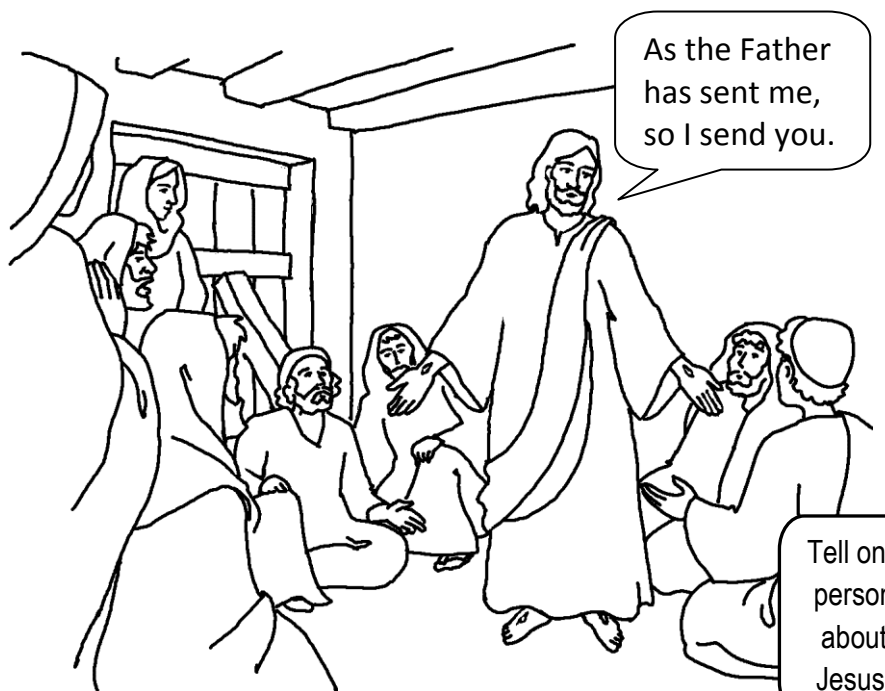

The people believed Jonah. They fasted and prayed.

God did not destroy the city. Jonah was angry. God said:

God wants to bring **EVERYONE** to himself because he loves them. On Easter Sunday, Jesus said:

Tell one person about Jesus.

Jesus wants us to carry on his work. We must be his messengers and help him to save others.
