What is your personal response to this?

'The Word was in the world, and though God made the world through him, yet the world did not recognize him. He came to his own country, but his own people did not receive him. Some, however, did receive him and believed in him; so he gave them the right to become God's children.'

'In the past, God spoke to our ancestors many times and in many ways through the prophets, but in these last days he has spoken to us through his Son.' Hebrews 1:1.2a

'In the beginning the Word already existed; the Word was with God, and the Word was God. From the very beginning the Word was with God. The Word became a human being and, full of grace and truth, lived among us. We saw his glory, the glory which he received as the Father's only Son. No one has ever seen God. The only Son, who is the same as God and is at the Father's side, he has made him known.'

John 1:1,2,14,18.
