Dear Theophilus:

Many people have done their best to write a report of the things that have taken place among us. They wrote what we have been told by those who saw these things from the beginning and who proclaimed the message. And so, your Excellency, because I have carefully studied all these matters from their beginning, I thought it would be good to write an orderly account for you.

I do this so that you will know the full truth about everything which you have been taught.

LUKE 1: 1-4
